Hi Rena,

Here is a suggestion for the agenda:

Presentation by Laila Alequresh, FUSE Executive Fellow, Office of the CAO, on report detailing recommendations to improve Los Angeles' street-related infrastructure and associated programs. This is a [link](#) to the complete report.

To help me organize the content, how much time have you allocated for the presentation?

I am not familiar/connected with Thomas Jansen, but their work sounds super interesting.

Please let me know if you need more information.

Thanks,
Laila

Laila,

I know Jasmine has been emailing with you. For purposes of the agenda, what is the name of the survey, your title and department information?

Also, are you working with Thomas Jansen and HR&A?

Hi Rena,

Yes, that's fine. I can bring a projector if needed - but I also have a handout that I can talk through. It's been taking about 20-25 minutes depending on the number of questions.

Is the meeting usually around lunchtime? i want to block travel time on my calendar.

Best,

Laila

Hi Laila,

The next Consortium meeting is March 8th in Tarzana. We'd be happy to include you on the agenda.

Let me know if that works.

Thanks,

Rena

Hi Rena,

Happy New Year. I'm not sure when the Consortium's next meeting is, but after providing the results of the survey in late fall, I'd like to present a summary of findings so members can better understand how their feedback was incorporated into the final report. Could you please add me as a speaker at your next meeting?

Thanks,

Laila
